

Help me support World T.E.A.M. and this exceptional ride to historic Gettysburg on May 16-18, 2025!

Face of America: Gettysburg brings together both able-bodied and adaptive participants to honor America's military veterans and first responders who have given so much in their service.

NAME:

TEAM NAME:

World T.E.A.M. brings adaptive and able-bodied athletes together by empowering, enabling and engaging individuals through inclusive athletic programs. For more than a quarter century, our nonprofit 501(c)(3) organization has used athletics to challenge and empower men, women and children with disabilities to accomplish goals they never thought possible. In all our programs, from mountain climbing, cycling, white water rafting and many other sports, we include both adaptive and able-bodied participants. Learn more at worldteamsports.org.
